

August 2020 Group Meetings

While many activity restrictions and social distancing rules are expected to continue into August our Special Interest Groups will still be unable to function normally.

Planned meetings are as follows:

- Poetry** Tuesday 25th August. The Poetry group will email poems throughout the day. Theme to be decided. Contact: [Angie Pyman](#)
- Cycling** Wednesday 12th August – 10:00am. Exploring lesser known local lanes, while observing the British Cycling Organisation distancing recommendations. Further details to follow. Contact [Duncan Macpherson](#) for confirmation of time and destination.

Talk / General Meeting

U3A members have enjoyed the series of Zoom on-line video talks throughout the lockdown with most talks attracting 30 to 40 attendees. It is hoped to continue these talks on an ad hoc basis whenever volunteer speakers are available. Members will be notified by email when new meetings are scheduled.

Speaker request: If you would like to give a talk on a subject of special interest to you (*expertise, hobby, or something you have a passion for*), please contact [Peter Hinchliffe](#). Or maybe you know someone else you could recommend.
